

## **Matica Fintec: agreement with Thomas Greg and Sons de Mèxico to supply two S7000Jet systems with DoD technology**

**Order follows recent announcement of contract with Tagnitecrest Limited UK**

Milan, 22 February 2022

**Matica Fintec S.p.A.** (or "**Matica**"), an Innovative SME listed on the Euronext Growth Milan market, organized and managed by Borsa Italiana S.p.A., active in the design, production and marketing for Digital ID and payment solutions, announces the closing of an important supply contract with **Thomas Greg and Sons de Mèxico, for a value of approximately € 750,000**. The order consists of two S7000Jet systems with DoD technology, the company's new launched product, which will be installed at their Mexico City facility. Both systems will be used to enhance the customer's bank card personalisation capabilities.

The delivery of both systems and related services is expected in the second quarter of 2022. This is a new order for the recently launched system with innovative printing technology, which is enjoying great success in the market. The order follows the recent announcement of a contract with Tagnitecrest Limited UK, to supply two S7000Jet systems with DoD technology ([see press release dated 07 February 2022](#)).

Thomas Greg & Sons is a worldwide security solutions integrator, with a strong presence in several territories in Latin America and globally. The company was founded over 64 years ago and has grown to a leadership position in the integration of security documents, smart cards, thermal rollers and technology solutions.

Vinicius Matarazzo, Regional Sales Manager CI & FII Americas at Matica Fintec: "*We are thrilled to announce another successful project with Thomas Greg & Sons de Mèxico to support their business growth in the region. Certainly, one more step of the many we will take together.*"
